OIL PIPELINE TARIFF FILING
SPECIAL PERMISSION REQUESTED

Re: Pelican Gathering Systems, LLC—Tariff Filing

Dear Secretary Bose:

In compliance with the Interstate Commerce Act, 49 U.S.C. § 1 *et seq.* (“ICA”), and the Rules and Regulations of the Federal Energy Regulatory Commission (“Commission”), 18 C.F.R. Part 341, Pelican Gathering Systems, LLC (“Pelican”) hereby submits for filing FERC No. 2.13.0 to become effective July 1, 2019, which is on sixteen days’ notice.

I. Explanation of Tariff Filing

Pelican is filing FERC No. 2.13.0 to decrease the transportation rates applicable to service from the receipt points at QEP Fed #1 and QEP Fed #4, both located in Mountrail County, North Dakota, to the various destination points identified in the tariff. Pelican is filing such rate decreases pursuant to 18 C.F.R. § 342.3 (Indexing), which permits a carrier to change its rates at any time, provided that such rate changes do not exceed the applicable ceiling level. As shown in the Index Summary attached hereto, the rate decreases reflected in FERC No. 2.13.0 to become effective on July 1, 2019 are less than the applicable ceiling levels that will become effective on July 1, 2019.

Pelican has also revised the cover page of the tariff to include language requesting special permission to file the tariff on short notice pursuant to 18 C.F.R. § 341.14. Apart from these changes, Pelican has not made any other changes to the tariff.

II. Request for Special Permission

Pursuant to 18 C.F.R. § 341.14 (Special Permission), Pelican requests that it be granted a waiver under Section 6(3) of the ICA to file FERC No. 2.13.0 on sixteen days’ notice, so that it may become effective on July 1, 2019. Pelican submits that good cause exists for granting this request for waiver of Section 6(3) of the ICA. Permitting FERC No. 2.13.0 to become effective on less than thirty days’ notice will provide Pelican’s shippers with the benefit of qualifying for the decreased transportation rates set forth in the tariff as soon as possible. Pelican has not made any changes to the existing routing or rules and regulations set forth in the tariff; rather, Pelican has only decreased the transportation rates applicable to certain movements covered in the tariff. Pelican acknowledges that this tariff publication is conditionally accepted, subject to refund, pending a thirty-day review period.

III. Certification

I hereby certify that, on or before this date, copies of the publication attached hereto have been sent to each subscriber by electronic service, or by other means of transmission agreed upon in writing by the subscriber.

Pursuant to 18 C.F.R. § 343.3(a) (Filing of Protests and Responses), Pelican requests that any protest of this filing be telefaxed at the time the protest is filed to Michelle Boudreaux and Deborah Repman, fax number 713.357.6775, and Kurt Petersen, fax number 303.592.8881.
